*The new member chooses the level that works best for them and gains all of the Chamber benefits, connections, event access and business support that you already enjoy!*

They  
--Win

In order to qualify to receive a membership recruitment award (the "Rewards Program") from the St. Charles Regional Chamber (the "Chamber"), the Chamber must receive a completed application and full payment of membership dues from a new investor. An "investor" is a person or entity that has not been a member individually, or as a principal owner or officer of another entity, in the previous 24 months (calculated from the date the prior membership was dropped from the Chamber's membership list by the Chamber staff).

Award winners are responsible for paying any applicable taxes on any amount received under the Rewards Program. The Chamber will provide a Form 1099, as appropriate, to an award winner at the end of the calendar year. Award winners, at their sole option, can elect to have the award applied to the award winner's annual Chamber dues or donated to a chamber member charity.

The Chamber will only purchase gift cards from Chamber members in good standing (i.e. Chamber members that are not past-due on any Chamber dues or sponsorships) or a ShopSt.C digital gift card.

The Chamber, at its sole option and discretion, may discontinue the Rewards Program without notice to the Chamber members. No awards can be earned for any new investors who join the Chamber after the date that the Rewards Program is terminated.
